#### CHRISTMAS SPIRIT PREVAILS AT SRC

The college community together will participate in both the penitential and joyous aspects of the Advent season.

Yesterday afternoon, Wednesday, December 15, a penitential service was held in the college chapel with Reverend James Healy and Reverend Eugene Hillman conducting the service according to the new penitential rite. Faculty and students united in the Advent spirit of penance at the 4:30 ceremony.

Sister Lucille McKillop, college President, will host the college community this evening at the annual Holly Buffet. This is the social occasion of the year when administration, faculty and staff have the opportunity to enjoy one another's company. It is significant that it is the Christmas season that provides the occasion for this college gathering. "Peace on Earth, Good Will Towards Men" will echo throughout the Great Hall in the community song fest that follows the buffet.

Sister Lucille's message of:

The Lord bless you and keep you  
and be gracious to you.  
The Lord look upon you kindly  
and give you peace.

captures the blessing and mystery of this holy Season for each of us. The college community, in turn, repeats the same wish to Sister Lucille.

On Friday, faculty and students will participate in solemn Advent Vespers in the College Chapel at 4:30. The SRC community will pause from the hustle and bustle of these frantic days before Christmas and together will pray the words of the official prayer of the Church:

O Wisdom, O Holy Word of God.  
You govern all creation with your  
strong yet tender care.  
Come and show your people the way  
to salvation.

#### NURSING ACCREDITATION

Word was received on Wednesday, December 15, that the Nursing program at Salve Regina College has been re-accredited by the National League for Nursing Review for Baccalaureate and Higher Degree Programs. The college first received accreditation from the National League of Nursing in 1960. Over 500 nurses have completed their education in the Salve Regina program.

## IN SEARCH OF THE GRAIL

On Wednesday evening, December 29, twenty Salve students, Dr. and Mr. James Hersh and Mr. and Mrs. Glenn Guittari will fly to London on the first leg of their study-trip "In Search of the Grail."

During the first ten days, Geoffrey Ashe, the noted British authority on the Arthurian Legend, will be with the group. They will be visiting Salisbury, Glastonbury, the site of Arthur's grave and Tor, South Cadbury, where "Camelot" castle is located and Tintagel, the site of Arthur's birth. The tour will then take them to Cardiff in Wales, then on to Oxford, Stratford-upon-Avon, where they will see "Much Ado About Nothing" and finish the trip in London, returning to Boston on January 20.

## JANUARY INTERIM

From January 3-28, 1977, Salve will hold an Interim Session. The three and four credit courses will be offered in four locations, Newport Campus, Cranston, Warwick and Westerly. In addition, a special workshop on Federal Tax Laws is scheduled for Tuesday and Thursday evening from 7:00 to 10:00 p.m., starting January 4. The content of the workshop will review the latest revisions in the Federal Tax Laws.

Registration for January Interim is possible on a mail-in basis until December 30 and on a walk-through basis up to January 3, 1977.

## MASTER'S DEGREE IN CRIMINAL JUSTICE

A new Master's Degree program in Criminal Justice will begin Spring Semester at Salve Regina College on the Newport Campus. Most of the core courses will be given in the morning and in the evening, and will lead to a Master of Science Degree in Criminal Justice in 2 to 3 years. Persons presently employed in the Criminal Justice System as well as persons considering a career change are prime candidates.

Salve Regina decided to offer a Master's Degree in Criminal Justice after surveying the needs of potential candidates, and responding to the requests of its own 700 graduates who have received their undergraduate degree in Criminal Justice at the Newport College within the past seven years. Federal legislation recently passed assures the continuance of the next 3 years of the Law Enforcement Education Program (LEEP) sponsored by Law Enforcement Assistance Administration of the US Department of Justice. Some in-service police officers are eligible to receive financial aid under this program.

Although several colleges offer a Bachelor's Degree in Criminal Justice, no other colleges in Rhode Island and nearby Massachusetts offer a Master's Degree in Criminal Justice.

The College is preparing to begin classes in the New Master's program in January. Library holdings in Criminal Justice are being increased to meet the needs of the more advanced student.

Mr. Charles Cooke, former Federal Bureau of Investigation Counsel, will direct the studies of those enrolled in the program. While with the Federal Agency Mr. Cooke served as special agent, criminal investigator and legal counsel.

A native of Providence, Mr. Cooke received his legal education and juris doctor degree from St. John's University, New York.
